RESPONSE

Dear Sir:

Introductory Comments:

The following amendment and remarks are being filed in response to outstanding Office Action mailed May 23, 2006. It is respectfully submitted that this response complies with the requirements of 37 C.F.R. §1.111.

It is further noted that this Response includes a request to correct a specie election error, thereby changing the elected specie from 1 to 18. This correction will better conform to past prosecution history of this application and thus should not require a new search.
